

# Douglas High School

Career & Technical Education  
and Specialty Programs  
invite you to our open house expo!

Featured programs will have CTE students and instructors to show what programs you can take part in when you advance to high school.  
Come see what we learn and do.

5th Grade Students, Families, and Teachers: come learn about our programming offerings before selecting your career or technical program to learn about.

8th Grade Students, Families and Counselors: come check out our programs of study available. Our 8th grade after school program will run November 3-16.  
Sign up for 8th grade ASP will be through your middle school counselor starting October 20.

K - 11 Students and Families: come see what programs we offer you!
